

Department of Physical Education

Establishment of Naturopathy Laboratory

Duration of the project: 01 year

Coordinator: Head

Department of Physical Education

- Department of Physical Education is running following courses successfully.
- Post Graduate Diploma in **Yoga**, Master in Physical Education and Ph. D.
- There has been substantial **increase** in the **number of students** over the last few years.
- But the infra structure could not match this increase in the strength of the students.
- In order to improve the infrastructure and match the international standards there is need of **an Advanced Naturopathy Laboratory**.
- This laboratory will help the students to improve their **health and fitness**.

Budget

- The infrastructure required for naturopathy laboratory is
 - Spinal Bath
 - Hip Bath
 - Hand and Foot Bath
 - Massage Table
 - Acupressure Kit
 - Shirodhara
 - Establishment of Sona Bath and Steam Bath Cabin
 - Hydro collator Machine

The proposed budget is Rs. 3,00,000/- to 5,00,000/-

The amount depends upon the number of units to be installed.
